Early Warnings Directorate - Project Implementation Unit

2024

REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – FIRMS SELECTION)

The Government of Indonesia
Indonesia Disaster Resilience Initiatives Project (IDRIP)
Loan No. IBRD No 8980-ID

Assignment Title: *Monitoring and Quality Control of Installation of the Tsunami Early Warning and Information Dissemination System Year 2024-2025 – Indonesia Disaster Resilience Initiatives Project (IDRIP)*
Project ID No. P170874

The government of Indonesia has received financing of USD 160 million from the World Bank for the Indonesia Disaster Resilience Initiatives Project (IDRIP) budget. The Directorate of Early Warnings under the National Disaster Management Agency intends to apply part of the proceeds for consulting services to *Monitoring and Quality Control of Installation of the Tsunami Early Warning and Information Dissemination System Year 2024-2025 – Indonesia Disaster Resilience Initiatives Project (IDRIP)*

Strengthening the Capacity of the Information Dissemination and Tsunami Early Warning System focuses primarily on sirens as a form of dissemination of disaster warning information, which will be planned and installed as part of the MHEWS supporting infrastructure system. Siren is an effective dissemination mode when people do not see warning information from television, cell phones, or radio, like during the night shift. Siren brings attention to the immediate threat to the community.

The [services](#) aims to carry out monitoring and quality control, strengthening the dissemination system for tsunami information and early warnings to the community. The purpose is to supervise results that meet the project's technical requirements (specifications) cost-effectively, on time, and target.

Through this activity, the Early Warning Directorate of Prevention Deputy will benefit from supervision (the consulting firm) related to the project. So, the performance planned by the Early Warning Directorate is achieved in an accountable, efficient, and effective manner to ensure the achievement of reliable Tsunami Information Dissemination and Early Warning System Work in 180 Villages/Sub-districts.

The detailed assignments can be found on the Terms of Reference (TOR) attached to this Request for Expressions of Interest (REOI).

The Directorate of Early Warnings, National Disaster Management Agency, now invites eligible consulting firms ("Consultants") **to indicate their interest in providing the Services**. Interested Consultants firm ("Consultants") should provide information demonstrating they have the required qualifications and relevant experience to perform the services. Interested consultants must provide sufficient description of similar assignments (including location/country, name of the Employer/Client, type of services offered, period of contract, contract amount, starting and completion dates), and availability of appropriate skills among permanent staff, etc. which covers such following information:

1. Have completed contracts of similar nature, and complexity in the same field of experience in the last five years;
2. **Describe standard policies, procedures and practices that your entity has to assure quality interaction with clients and outputs. Please state if your company is ISO certified.**

3. Provide a statement indicating that consultants have not been involved in any fraud or corruption activities and that no remedial action has been taken against the consultant by any contracting authority or donor, national or international, as a result of fraud and corruption;

The attention of interested Consultants firms (Consultant") is drawn to Section III, paragraphs 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016, revised November 2017 and August 2018 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

The consultant's firm (Consultant") may choose (but not mandatory) to associate with other firms (max. three firms) in the form of a joint venture or a sub-consultancy to enhance their qualifications. In the case of an association, the EOI must explicitly specify whether the association is a Joint Venture (all members shall be jointly and severally liable for the entire assignment) or sub-consultancy. In the joint venture case, the member firm appointed to represent the joint venture must be identified. Only the qualifications and experience of joint venture members, but not of sub-consultants, shall be considered in the EOI evaluation process.

The consultant firm (Consultant") will be selected using the consultant qualification selection (CQS) method set out in the procurement regulations.

The consulting firm ("Consultant") will be assigned for approximately 10 (ten) months. The assignment's detailed Terms of Reference (TOR) are attached to this request for expressions of interest.

Interested Consultant firms (Consultant") are required to access the electronic procurement system (SPSE) of the National Disaster Management Agency to register and submit EOI at this website <https://spseicb.lkpp.go.id/spseicb>

The interested consulting firm ("Consultant") can also download the Term of Reference (TOR) at the following link: <https://bit.ly/QCEWS>

The consultant of Monitoring and Quality Control Installation of the Tsunami Early Warning and Information Dissemination System can be contracted if the work of strengthening the dissemination system for tsunami information and early warnings to the community has been contracted.

Expressions of interest must be submitted electronically through the SPSE system of the National Disaster Management Authority by October 11th, 2024.
