Assignment Title: PILOT PROJECT ANALYSIS OF THE IMPACT OF AGRARIAN REFORM ON INCREASING COMMUNITY WELFARE

Reference No. ID-ATR-BPN-551862-CS-CQS

The Government of the Republic of Indonesia has received financing from the World Bank toward the cost of the Integrated Land Administration and Spatial Planning Project (ILASPP) and intends to apply part of the proceeds for the Pilot Project Analysis of the Impact of Agrarian Reform On Increasing Community Welfare for the Fiscal Year 2026.

The purpose of this activity is to develop an impact assessment of the Agrarian Reform program as an instrument of asset-based national development policy, in order to comprehensively measure the contribution of agrarian reform to the improvement of community income and welfare. This activity is aimed at evaluating the methodology used to calculate income increases and the effectiveness of the community land empowerment models that have been implemented, so that it can serve as a national reference for strengthening the planning, implementation, and monitoring of agrarian reform policies in an integrated manner.

The assignment will be carried out for **5 (five) months**. The detailed Terms of Reference (TOR) for the assignment can be found at the following:
