

MANGROVE FOR COASTAL RESILIENCE

IDF Grant No. W10E ; 79 ;

REQUEST FOR EXPRESSIONS OF INTEREST (REOI)

ASSIGNMENT TITLE:

CONSULTING SERVICES FOR STRENGTHENING THE HARDWARE AND ROBUST SYSTEM OF SRN AND CARBON REGISTRY

MINISTRY OF ENVIRONMENT AND FORESTRY

The Government of Indonesia, in collaboration with the World Bank, has prepared a project (M4CR) to support the delivery of GoI's mangrove rehabilitation targets, to implement of a suite of integrated mangrove management activities including rehabilitation, sustainable utilization, reduced deforestation and degradation and, the development of "blue carbon" finance and the development of adaptive, collaborative management organized under four components.

The Ministry of Environment and Forestry as one of the program implementers or the National Steering Committee (NSC) in the Mangroves for Coastal Resilience (M4CR) project, the Ministry of Environment and Forestry has a role in each component. Specifically for component 1 Strengthening Mangrove Management Policies and Institutions, the Ministry of Environment and Forestry has duties and responsibilities in National Registry System for Climate Change Control (SRN PPI).

The directorate that plays a role in recording national climate change adaptation and mitigation actions and resources is the Directorate of Greenhouse Gas Inventory and Verification Reporting Monitoring (IGRK MPV) under the structure of the Directorate General of Climate Change Control. These terms of reference correspond to activities to be implemented under subcomponent 1 of the project, 1.3.4 'Improvement of the national registry (SRN) to include carbon credits from mangrove rehabilitation and sustainable landscape management generated under the M4CR Project'.

The consulting services ("the Services") include (i) Development of Interactive Graphical User Interface (GUI) Media Center Tools in the National Registry System; (ii) Transfer of Knowledge, Capacity Building and SOP development; (iii) Guarantee on Development Services. The duration of the assignment is expected to be around 12 months years, starting in March 2024.

The Procurement now invites eligible consultant firms ("Consultants") to indicate their interest in providing the services. They shall submit the Expression of Interest (EOI) demonstrating that they have the required qualifications and relevant experience to perform the services, i.e. presenting consultant/firm profile, legality of consultant/firm, description of similar assignments in the last 10 years (completed with: assignment title, assignment location/country, name of employer/client, type of services provided, period of contract (starting date and completion date), and contract value),

The consultant qualifications that must be met are as follows: (i) Have experience in developing features in information technology systems; (ii) Have experience in developing features in information technology systems; (iii) experience in developing Interactive Graphical User Interface (GUI) Tools, formulating selected interactive tool simulation models Knowledge Transfer;

The Consultants is drawn to selection procedure for consultants of the Procurement Regulation for IPF Borrowers World Bank's Guidelines:

Borrowers Fifth Edition September 2023 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications.

A Consultant will be selected in accordance with the Consultant Qualification Selection (CQS) method set out in the Consultant Guidelines.

Interested consultant/firm may obtain further information at the address below during office hours (17.00 WIB). Expressions of interest must be delivered to the address below by **22 April 2024**.
