The Ministry of Marine Affairs and Fisheries has received financing from the World Bank toward the cost of the Infrastructure for Coral Reef Areas - Oceans for Prosperity Project (INSAN TERANG – LAUTRA, henceforth LAUTRA). To support the project implementation effectiveness, transparency, and accountability, the LAUTRA Project Management Office (PMO) will be established as part of Component 4 (Project Management) to support project coordination and management in accordance with the project's objectives and fiduciary procedures. This component, led by the Ministry of Marine Affairs and Fisheries (MMAF), will provide goods, training, consulting services and incremental operating costs to strengthen the capacity of the PMO, PIUs and Provincial Project Supporting Unit (PPSU) to manage, implement, monitor, and report on project activities.

To support the programme, The Ministry of Marine Affairs and Fisheries requires the following technical assistance from experts:
